LETTER TO THE EDITOR

Dear Editor,

There was a miscommunication during the writing of the article entitled Statement of the 1<sup>st</sup> Consensus on Temporomandibular Disorders and Orofacial Pain, published in 2010 May-June;15(3):114-20: it was mistakenly included the

name of Dr. José Tadeu de Siqueira Tesseroli as endorser. Thus, we authors want to clarify that this doctor was not one of the endorsers of the work. Sincerely, Simone Vieira Carrara, Paulo César Rodrigues Conti and Juliana Stuginski Barbosa.
