5. Endodontics of the future

Carlos Estrela
Lucas R. A. Estrela

Interview

10. Leonardo Rigoldi Bonjardim

Entrevistado por Murilo Priori Alcalde

Special Article

15. Intentional replantation: What kind of approach is this that can save teeth? Two long term case reports

Simony H. Hamoy Kataoka
Eudes Gondim Jr

27. Application of a new CBCT software with specific filters for blooming artifact reduction: case series

Mike R. Bueno
Carlos Estrela
Bruno C. Azevedo
Anibal Diogenes

Original articles

36. Efficacy of intracanal barrier against microbial infiltration in teeth prepared for intraradicular post

Adalberto Ramos Vieira
Rodrigo Rodrigues Amaral
Rafaela Reis da-Silva
Daniel Guião Fernandes
Maria Isabel de Oliveira e Brito Villalobos
Maria Eugênia Alvarez-Leite
Frank Ferreira Silveira
Maria Ilma de Souza Côrtes
Eduardo Nunes

43. *In vitro* study of the antimicrobial action of experimental intracanal medications on *Enterococcus faecalis* biofilm

Nathália Evelyn Machado
Lorena Oliveira Mendes
Paulo Roberto Goldoni
Graziela Garrido Mori

49. Removal of Endosequence BC/CPoint endodontic fillings in curved root canals using rotary or reciprocating instruments

Raquel Farias
Laila Gonzales Freire
Elaine Faga Iglesias
Renata Grazziotin-Soares
Diego Machado Ardenghi
Giulio Gavini
Fabiana Grecca
Fernando Branco Barletta

56. Prevalence of odontogenic pain in a public dental urgency service in Southern Brazil

Valeria Dalabilia
Diego José Gambin
João Paulo De-Carli
Fabiane Zanette

63. Standardization of the experimental model of acute renal failure for bidirectional study with an apical periodontitis

Carolina de Barros Morais Cardoso
Letícia Citelli Conti
Gustavo Sivéri Araújo
Luciano Tavares Angelo Cintra

69. Effectiveness of three final irrigation protocols for debris and filling removal from simulated irregularities

Angela Longo do Nascimento
Aline Teixeira Mendes
Lilian Tietz
Paula Barcellos Silva
Pedro Henrique Marks Duarte
Ricardo Abreu da Rosa
Natália Villa
Marcus Vinícius Reis Só

75. Influence of the type of endodontic sealer on glass fiber post adhesion: literature review

Maria José Mayara de Oliveira Soares
Emmanuel João Nogueira Leal Silva
Nádia de Souza Ferreira

81. Endodontic treatment of second mandibular molar with presence of middle mesial canal: case report

Victor Couto Figueiredo
Maria Ilma de Souza Côrtes
Eduardo Nunes
Rodrigo Rodrigues Amaral

88. Crown discoloration after endodontic obturation with different cements: a clinical study

Luciana Stadler Demenech
Jéssica Vavassori de-Freitas
Carla Castiglia Gonzaga
Denise Piotto Leonardi
Flares Baratto-Filho
Flávia Sens Fagundes Tomazinho
Marilisa Carneiro Leão Gabardo
